

**METHOD OF FORMING TEXTURE ON RUBBER PIECE AND THE
PRODUCT THEREOF**

ABSTRACT OF THE DISCLOSURE

5 A method of forming a texture on a rubber piece has the steps of A) preparing a refined rubber piece; B) attaching a meshed piece having a predetermined pattern on the rubber piece; C) heating and rolling the meshed piece and the rubber piece, and D) adding sulfur to the rubber piece for vulcanization. The meshed piece is firmly attached on the rubber piece and serves as the texture of the rubber piece.
